

MEDICAL ONCOLOGIST

Prince Edward Island Cancer Treatment Centre

The province of Prince Edward Island is seeking a Medical Oncologist for the PEI Cancer Treatment Centre. The successful candidate will have a fellowship in Medical Oncology from the Royal College of Physicians and Surgeons of Canada (RCPSC) or an equivalent qualification acceptable to the RCPSC, and must be eligible for licensure in the province of Prince Edward Island. Experience treating hematologic cancers would be an asset.

The recently expanded PEI Cancer Treatment Centre is a modern, patient focused centre providing radiation therapy, medical and hematology oncology service with satellite centres in Summerside and Montague.
