

LOCUM MEDICAL ONCOLOGY, APP POSITION WALKER FAMILY CANCER CENTRE & NIAGARA HEALTH

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology of locum tenens coverage from May 24, 2021 to May 1, 2022 to fill a current COMET APP 1.0FTE position.

You would join a team of eleven other medical oncologists and malignant hematologists along with three radiation oncologists, and three supportive and palliative care physicians.

Walker Family Cancer Centre provides comprehensive cancer care in a modern facility directly attached to a full-service hospital in St. Catharines. The Cancer Centre has strong working relationships with the Juravinski Cancer Centre in Hamilton across the spectrum of disease sites.

On-call responsibilities would consist of inpatient rounding and admissions from Emergency only one weekend every 12 weeks and new inpatient consults at the Greater Niagara General Hospital and seeing them during a half day satellite clinic there. There would be no requirement for General Medicine call. An oncology hospitalist is MRP for patients on the Oncology Inpatient Service on weekdays.

Opportunities would exist for teaching of medical students and residents, and for participation in clinical trials.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team consists of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care and Surgical Care. Planning is underway to build another new ultramodern hospital in South Niagara.
